Certificate of Compliance and Capacity Verification

Vestil certifies that this ALUM FIX HT GANTRY CRANE 15'X10' 2000 SILVER model number FHA-2-15-10-ALO, complies with all applicable U.S. Federal OSHA regulations and U.S. national standards which are incorporated into U.S. national laws and/or regulations.

Capacity verification: A test weight in the range of 100% to 125% of the maximum rated load is applied to randomly selected sample units. Afterwards, the sample unit was visually inspected. Inspection confirmed the soundness of all welds, i.e. no permanent deformations or other forms of damage.

The end user bears the responsibility to ensure safe, normal operability by testing and inspecting the unit periodically and in accordance with instructions provided with the unit.
